## TEUTONS CUT DEEP INTO HEART OF RUMANIA

Constanza, Chief Seaport Falls  
Before Unchecked Legions  
Sweeping Rapidly Toward  
Capital of Rumania.

RUSS AND RUMANIANS  
EVERYWHERE RETREAT

Along the Somme, the British  
Have Netted 1000 Yard  
Gain and Administered Big  
Losses on Germans.

(By Review Leased Wire)  
LONDON, Oct. 23.—The Dob-  
rudja region of Rumania appar-  
ently is being overrun by the  
forces of the Teutonic allies.  
Constanza, Rumania's chief sea-  
port and fortress on the Black  
Sea already has fallen into the  
hands of the troops of the right  
wing of Field Marshal von Mac-  
kensens' army, while the left  
wing is nearing the town of Tch-  
navoda, where the Danube is  
spanned by the bridge of the rail-  
road running from Constanza to  
Bucharest. Near the center of  
their front, which extends across  
the Dobrudja from the sea to the  
Danube, the invaders have cut  
the railroad near Murfatlar and  
pushed their troops far beyond  
the railway lines, according to  
Berlin.

Ententes in Flight  
Before the rapid advance of the  
Germans, Bulgarians and Turks—  
rapid despite heavy rains and soggy  
ground—the Russians and Rumanians  
are in retreat along the entire front  
but, according to Petrograd, are of-  
fering stubborn resistance.

British Gain 1000 Yards  
Aside from the operations in Dob-  
rudja, another British smash at the  
German line in the Somme region of  
France, which netted them more than  
a thousand yards of trenches east of  
Gueudecourt and Les Boeufs and  
carried their front a step nearer the  
Bapaume-Peronne road, is the most no-  
table incident of the fighting on any  
of the fronts. A gain described by  
Paris as appreciable, also is recorded  
northeast of Moraval, which lies just  
to the south of the region where the  
fighting against the British and the  
French Sunday, between Le Sars and  
Rancourt, says the attacks of the en-  
tente were sanguinarily repulsed. It  
is admitted in the German official  
communication that the Germans  
withdrew Sunday night from the  
north of Chaules, south of the Somme  
to a prepared position lying east of  
the northern part of Chaules wood.

On the Transylvania front stubborn  
fighting is still in progress between  
the Teutonic allies and the Rumanians  
for the mountain passes and the  
territory inside Rumania which has  
been captured by the Austro-Germans.

Austrians Rout Russ  
The Russians having been cleared  
from Narayuvka river region of Gal-  
icia, the Austro-Germans have hurled  
a violent attack against other forces  
of Emperor Nicholas north of Brody,  
near the Volhynia-Galicia border. The  
attack was repulsed, according to Pe-  
trograd.

Serbians Checked  
At the bend of the Cerna River in  
Serbia, Berlin says, the Germans and  
Bulgarians, fighting side by side, have  
halted the offensive of the Serbs, who  
now are on the defensive. Bad weather  
is still hampering full operations  
on the Macedonia front.

The Italians have again begun a  
lively bombardment on Austrian po-  
sitions on the Carso plateau, north-  
west of Trieste, probably presaging  
another attempt soon to press for-  
ward toward Austria's chief seaport  
on the Adriatic.

stated. Five of the steamers were  
Norwegian, two Greek, two Danish  
and one Dutch. They aggregated 12,  
473 tons gross. The sailing craft

## SHERIFF KILLED AND 4 WOUNDED BY NEW YORK HERMIT

White Stone Squatter Refuses  
Arrest for Contempt of  
Court, and Dies in a Costly  
Gun Battle.

(By Review Leased Wire)  
WHITE STONE, N. Y., Oct. 23.—  
Paul Stier, sheriff of Queens County,  
was shot and killed and four police-  
men and a deputy sheriff were wound-  
ed late today by Frank Taft, a squat-  
ter near here before Taft was eventu-  
ally killed by Police Sergeant Fitz-  
gerald.

Sheriff Stier and two aides went to  
Taft's shanty, located in a stretch of  
woods to arrest him on an order for  
contempt of court. Taft picked up a  
shot gun and fired at them. The sher-  
iff dropped to the floor mortally  
wounded. Taft ran to the roof armed  
with a rifle.  
Police reinforcements soon arrived  
and the shanty was surrounded. Af-  
ter five men had been wounded by  
the squatter, Sergeant Fitzgerald ob-  
tained an automatic rifle from a tor-  
pedo boat, and, approaching the hut,  
ordered Taft to surrender. Taft fired  
at Fitzgerald and the latter returned  
the fire, killing Taft.

POTTSVILLE, Pa., Oct. 23.—Sixteen  
mine workers were caught behind a  
wall of fire in a ganeway in the Su-  
quehanna Coal Company's Lytle

men were taken out alive. Eight had  
inhaled gas but company physicians  
say they will recover.

## WITHDRAWS SLANDER SUIT.

(By Review Leased Wire)  
RED OAK, Ia., Oct. 23.—F. F. Jones,  
state senator of Iowa, today dismissed  
the suit instituted against eight citi-  
zens of Villisca, charging conspiracy  
and filed a new suit against J. N.  
Wilkinson, a detective of Kansas City,  
alleging conspiracy and slander, and  
asking for \$60,000 damages. The  
original suit was the outgrowth of al-  
leged charges made against Jones that  
he had been implicated in the murder  
of the Moore family in Villisca.

## SLAYER OF ANTI-CATHOLIC IS ON TRIAL AT GALVESTON

(By Review Leased Wire)  
GALVESTON, Oct. 23.—Eight of the  
twelve men who will try John Cope-  
land, a bank cashier of Marshall, for  
the killing of William Black, an anti-  
Catholic lecturer, in that city on  
February 3, 1915, were secured today.  
It is thought that the jury will be  
completed by noon tomorrow. Tak-  
ing of testimony in the first of the three  
cases resulting from the killing of  
Sels defense will be one of the pleas  
made in Copeland's behalf, it was in-  
dicated at today's session, which open-  
ed the trial. Some of the jurors se-  
lected today are Protestants and two  
are Jews. Copeland, member of the

Moves to Queretaro, Leav-  
ing Gonzales in Charge at

(By Review Leased Wire)  
LAREDO, Tex., Oct. 23.—General  
Carranza, accompanied by Alvarado  
Obregon, minister of war, and a retin-  
ue of administration officials, are at  
Queretaro, where over six carloads  
of war munitions were taken from  
Mexico City, according to information  
received from sources heretofore re-  
liable. This information also is to  
the effect that General Pablo Gonza-  
lez, who has been operating in the  
state of Morelos, has returned to Mex-  
ico City and will remain there in  
charge of the city.  
No reason is known here for the  
reported movements.

Amaya, one of the wealthiest resi-  
dents of Mexico, and Nico Porro Sem-

according to a passenger arriving  
here from Mexico City today.

Is Charged with Conspiracy to  
Violate Laws in Favor of  
Underworld, and of Aiding  
Brothels.

(By Review Leased Wire)  
CHICAGO, Oct. 23.—Charles C.  
Healey, chief of police, was indicted  
on two charges on returns made in  
the criminal court here today. The  
first indictment accuses him of mal-  
feasance and the second names the  
chief, William Luthardt, his secretary  
and Charles T. Essig, secretary of  
the Sportsmen's Club, as conspirators  
in a plot to nullify the anti-gambling  
laws.

Caplases for the arrest of the three  
men were issued, but State At-  
torney Hoyne ordered that they be  
held until tomorrow when the in-  
dicted men will be allowed to surren-  
der and give bonds. After the return  
of the indictments, the state asked  
for the dismissal of the hearing on an  
application for warrants for Healey  
and others before Judge Olson. Judge  
Olson will give his decision on the ap-  
plication tomorrow, he said.  
In the first count, Chief Healey was  
accused of wilful and corrupt omis-  
sion of his duties as chief of police in  
permitting the operation of gambling  
rooms, allowing the sale of liquor  
without license, failing to interfere  
with prostitution, and in making  
false statements to Mayor Thompson  
in order to restore saloon licenses  
which had been revoked. The second  
count was similar to the first and  
charged Healey, Luthardt and Essig  
with conspiring to violate the laws.

## BISBEE BOY IS KILLED; FOUR INJURED SUNDAY

Treacherous Motorcycle Hurls  
"Mike" Campbell to His  
Death Near Tintown, En-  
route from Naco.

## HENRY HENDERSON CAUGHT UNDER CAR

Is Victim With Three Others  
of Auto Overturned by Car  
From Behind on Warren  
Road—May Die.

Benjamin F. Campbell, a Bisbee boy  
of 22, is dead, Henry Henderson,  
aged 18, is seriously injured, and three  
men are bruised badly as the result  
of a series of motorcycle and automo-  
bile accidents occurring in Bisbee's  
environs Sunday.

Campbell is dead.  
Campbell was killed opposite Tin-  
town about noon, when his motorcycle  
skidded into loose dirt, hit a rock and  
threw him headlong to his death.  
Rastus Hatley and Jack Herickson,  
who chanced to motor by, picked  
Campbell up and brought him to the  
Copper Queen hospital where he died  
shortly without regaining conscious-  
ness. The speedometer on his motor-  
cycle showed the machine must have  
been going close to sixty miles an  
hour. Campbell, or "Mike," as he is  
best known, is the son of Mr. and  
Mrs. William Campbell, of Bisbee, and  
was employed at the Shattuck mine. His  
father is coming from Ray and ar-  
rangements for the boy's funeral will  
be made until the former's arrival.

## Henderson May Live.

Henderson was caught underneath  
his Ford, when it was turned over be-  
tween Lowell and Warren by a big  
car approaching from Warren, accord-  
ing to Henry Carlyle, William Mode  
and Lesley Swape, who were riding  
with Henderson and who also were  
badly bruised by the wreck. Hender-  
son's right arm was broken, his head  
badly cut and it was feared he might  
be injured internally as his right lung  
was in a congested condition. Reports  
from the C. & A. hospital last night,  
however, were that he has a fighting  
chance for recovery. He is the son  
of Mr. and Mrs. Fred G. Henderson,  
of Mason Hill.

## Wet Goods Wrecked.

A third accident, which was the  
first in the day's series of misfortunes,  
was when a car loaded with wet goods  
collided with a Ford driven by A. C.  
Cole at the bridge at Lowell, throwing  
Cole out and bruising him up, and  
spilling all the wet goods in the other  
car. The liquid refreshments were  
hurriedly transferred to another car  
which "beat it," south for the border  
in a hurry, and the names of the  
principal party has not been learned.

## TOLL OF LIFE LOST IN GREAT LAKE STORM REACHES FIFTY

(By Review Leased Wire)  
DETROIT, Oct. 23.—Great Lakes  
vessels passing here this afternoon  
and early tonight from Lake Erie  
ports brought no more details of vic-  
tims of the terrific gale of Friday or  
word to indicate that any other ves-  
sels than those already reported had  
gone down in the storm, which took  
a total of more than fifty lives and  
four steamers.  
Bodies Found Floating.  
All hope that the steamer Merida  
long over-due at Buffalo, had escaped  
the storm, was dispelled today when  
it was learned that several bodies,  
some of the wearing life belts stam-  
ped "Merida" were picked up in Lake  
Erie by the steamers W. B. Mathews  
and Charlotte G. Brietung. The Meri-  
da was commanded by Captain H. L.  
Jones, of Buffalo. She carried a crew  
of 23 men, all of whom are believed  
to have perished. Twenty-one lives  
were lost with the whale back steamer  
James B. Colgate and six with the  
D. L. Flier. All 13 of the

## LORD GREY PUTS DOWN PEACE TALK

For Posterity's Sake, For  
Peace of World Hereafter,  
Germany Must Be Ground  
Into Dust, Says Britisher.

BUT AFTER WAR, ALL  
NATIONS MUST UNITE

Hopeful Neutral Powers Will  
Evolve Out of Chaos of  
War, a Way to Definite,  
Everlasting Peace.

(By Review Leased Wire)  
LONDON, Oct. 23.—Another im-  
portant contribution to the discussions  
on peace was made by Viscount Grey,  
secretary for foreign affairs, at a  
luncheon given today by the Foreign  
Press Association, at which the dip-  
lomatic representatives of all the al-  
lied countries were present.

Must Prevent Future Wars  
The foreign secretary made it plain  
that the allies were not prepared to  
discuss peace terms and gave no in-  
dication of what their terms might be,  
but welcomed any efforts by neutral  
countries for a commission to prevent  
future wars. Some of the most im-  
portant passages of the secretary's  
speech follow:

Not Ready For Peace  
"I would like to talk, not, indeed,  
about actual conditions of peace that  
can only be stated as formulated, but  
about the general object which the al-  
lies must secure in this war. And to  
do that I would ask you to recall that  
we must never forget how the war  
came about. If we are to approach  
peace in a proper spirit it can only  
be by recollecting and recalling, and  
never for a moment forgetting what  
was the real cause of the war."

Mustn't Forget Dead  
"Some people say, 'Oh, we need not  
go back over that old ground now;  
everybody knows it.'"

"You cannot go back to it too often.  
It effects the conditions of peace. Ger-  
many talks of peace; her statesmen  
talk of peace today. They say:  
"Germany must have guarantees  
against being attacked again.' If this  
war had not been forced upon Ger-  
many that would be a logical state-  
ment. It is precisely because it was  
not forced upon Germany, but was  
forced by Germany upon Europe that  
it is the allies who must have a guar-  
antee for future peace."

Blames Germany  
"In July, 1914, no one thought of  
attacking Germany. I am said that  
Russia was the first to mobilize. That,  
I understand, is what is reported in  
Germany as justification for the state-  
ment that the war was not an aggres-  
sive war on Germany's part, but was  
forced upon her."

Russia's Mobilization  
"Russia never made the mobiliza-  
tion of which Germany has complained  
until after Germany refused a con-  
ference, and never made it until after  
the report appeared in Germany that  
Germany had ordered mobilization  
and that reports had reached Petro-  
grad."

"The whole plan of campaign of the  
German staff was to attack through  
Belgium and now it is represented  
that they had to attack through Bel-  
gium because our people had planned  
to attack through Belgium. I would  
like nothing better than to see those  
statements that Russia's mobilization  
was an aggressive one and that other  
powers, any other power, had traf-  
ficked in the neutrality of Belgium  
or planned an attack through Belgium.  
I would like to see those statements  
investigated before an independent  
impartial tribunal."

"German organization is very suc-  
cessful in some things, but in no-  
thing more successful than in prevent-  
ing the truth from reaching their peo-  
ple and in presenting to them a point  
of view which is not that of truth."

Allies Wanted Conference  
"When England proposed a con-  
ference, Russia, France and Italy ac-  
cepted the conference, and one power  
refused it. When four powers offered  
a conference and one power refused  
it, is it the powers which offered the  
conference who are forcing the war  
or is it the power that is refusing it?  
"The emperor of Russia offered
